# THE 1945 COMET

— 1945 —  
THE COMET  
"With A New Tale Every Year"  
VOLUME XXIV  
Published  
by the  
SENIOR CLASS  
of  
BELLEVUE HIGH SCHOOL  
Bellevue, Ohio

A stylized illustration of a forest scene. On the left, a large tree with a thick black trunk and green foliage dominates the foreground. Behind it, another tree with a similar style is visible. In the background, a dark, pointed mountain peak rises against a light sky. In the lower right, a black and white striped cat is sitting and looking towards the left. In the lower left, a black and white striped squirrel is lying down, facing right. The ground is represented by green and white patches.

## *Foreword*

Bellevue High School from September to June is like a forest where grow the trees of opportunity for study and many-sided development. The forest of education is indeed a mighty one, with many kinds of trees beckoning those who enter.

All are important. But this year special emphasis may be placed on the sports trail because only once in a lifetime does a school win state honors as did Bellevue through its 1945 basketball champions.

However, this Comet will show that all the trails through the B.H.S. forest are straight and true. For the class of 1945, who have spent their entire high-school years in a world at war, these trails lead to the common objective, lives of service and happiness in the peaceful world of tomorrow.

A stylized illustration of a forest scene. Large, rounded green trees with white outlines dominate the upper and right portions of the page. A dark, textured tree trunk is visible on the right. In the lower left, a black and white squirrel is depicted in a dynamic, jumping or running pose. The ground is a mix of white and green patches, suggesting grass and foliage. The overall style is graphic and modern.

# *We Dedicate This Comet*

In a year highlighted by the winning of the state basketball championship and four league championships, the class of 1945 takes pride in dedicating this Comet to the members of the victorious football and basketball teams, to Coach Harry L. Strobel, and to the ideals of character and good sportsmanship which he has held ever before the players and the school.

## THE PRINCIPAL

In his first year at Bellevue High School, Principal E. S. Glasgo, who came here from the superintendency of the Frazeyburg Schools, quickly took charge of the many details of administration. School affairs function smoothly under his direction. He is a friend of all students, who gladly heed his well-planned advice.

E. S. GLASGO

## THE OFFICE FORCE

With swift and sure efficiency, Miss Betty Kirkendall and Miss Virginia Monarchi combine beauty with hard work in their duties as members of the office force. Like the leaves of the forest are the many records which they keep for superintendent and principal.

Virginia Monarchi, assistant secretary; Betty Kirkendall, secretary to the superintendent.

## SCHOOL DAY

That steady slap, slap you hear comes from a busy beaver. But he stops to comment on all the class-room activity:

"I dam brooks;  
Students cram books!  
I gnaw woody trails;  
They gnaw fingernails!

"These boys and girls at B. H. S. are so smart, I'd like to change my name from beaver to 'B'ver!'"

In this school year, which saw the unconditional surrender of Germany and stepped-up efforts in the Pacific, Bellevue High School can proudly say that it has done its part to prepare for a permanent peace.

The high-school course in pre-flight aeronautics has been recommended by the Army, and the physics class has helped boys win specialized ratings in the Navy. Mathematics, English, and chemistry classes also formed the basis for ratings, while history courses made clear just why we are fighting.

The school is proud of the sons it has sent to the armed forces. A service plaque in the front hall honors all the boys who entered the services since Pearl Harbor; and the Comet pays special recognition on this page to former members of the class of 1945 now serving their country.

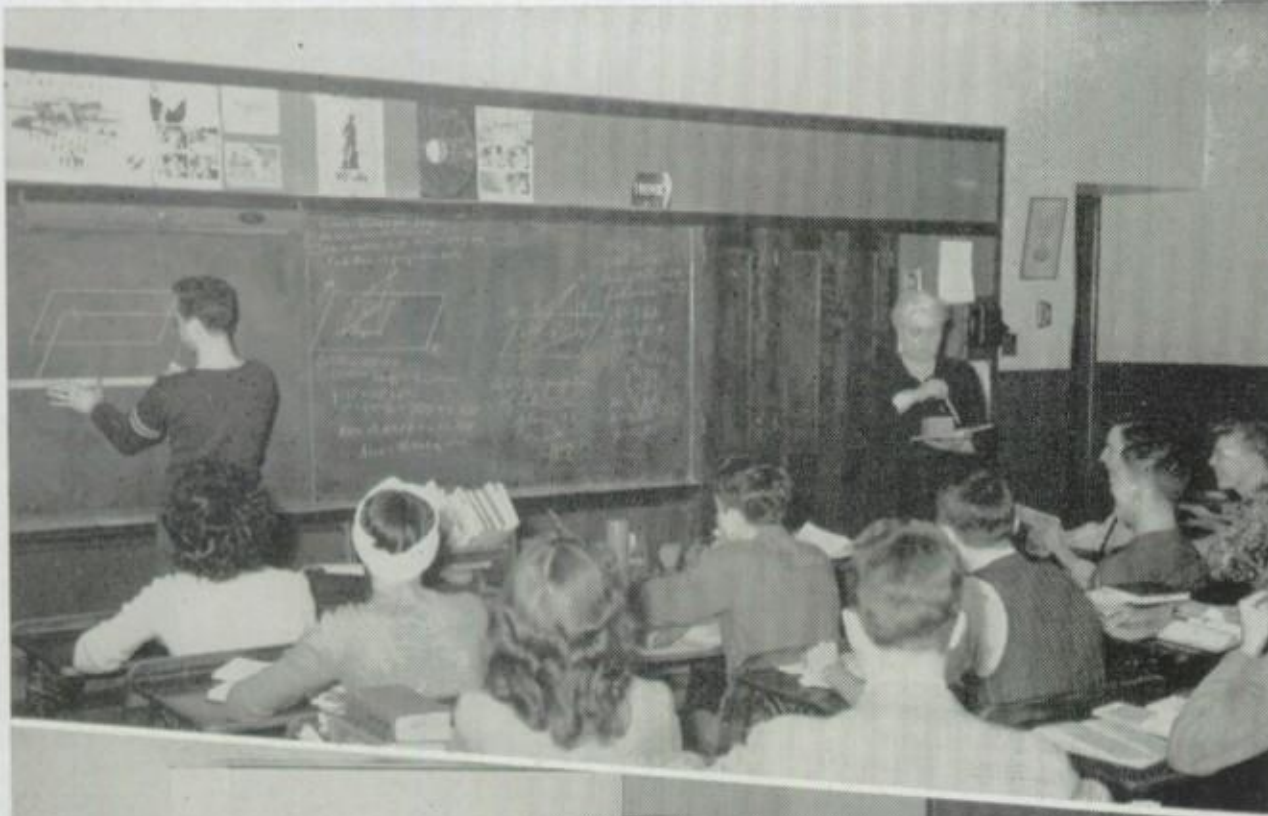

Those boys who would still be in school were they not in the service have received regular copies of the Dial and Christmas boxes sent by the Girl Reserves.

War bonds purchased by the students helped buy the guns and ammunition which kept the Huns on the run. During the Seventh War Loan Drive, students carried on a special house-to-house canvass to secure pledges.

In the important Red Cross work, too, the school is glad that it had a hand by contributing generously to the drive conducted on a home-room competitive basis.

Scampering along the forest floor is a sassy nut collector. He's amazed at the clubs and other activities in the B.H.S. forest.

"Nuts!" says he, "I can't keep track of these folks; they are always two jumps ahead of me. I have a big tail, but the tales of their club exploits are bigger. They'll have me out on a limb!"

From September until June, the spirited shouts of the War Bond and Stamp salesmen echoing through the hall meant to the man-about-Central that the Student Council was again "on the ball." These super-salesmen also refused to take no for an answer when they sponsored the school Red Cross drive which netted \$150. As another project, they enlivened school work with a contest to secure the Council Scholarship plaque.

When the Council met every other Monday, thoughts about that date last night were forgotten as the members seriously discussed student problems and considered ways to improve B.H.S.

# Comet Staff

*"Here read the record of the forest"*

Those small, gnawing sounds that attracted glances of curious students every Wednesday afternoon can now be explained. They came from members of the Comet staff, who were energetically biting pencils and chewing fingernails, trying to get an inspiration for that next Comet article.

Working into the wee hours of early evening, the staff scraped the barrel of ideas as they worked to publish an annual that would be enjoyed by everyone.

## THE DIAL GOES TO PRESS

Here is the Dial newsroom, where all the news and noises from the four corners of the school forest are collected, written, copyread, proofread, and finally published in the Dial. The four-page school newspaper is distributed every three weeks by means of a home-room-financing plan to every member of the two high schools.

Rotating editors and reporters have much fun and satisfaction as they bring the recent news to their readers.

# Girl Reserves

*"Give to others the harvest of the forest"*

THE G.R. CABINET

FUN AT THE CARNIVAL

Girls merrily sing as tractors pull wagons piled high with hay, and the Girl Reserves start off a year filled with many social and educational programs.

The G. R.'s sponsored a Fall Carnival which had all the characteristics of a real honest-to-goodness street fair. Also they held their annual Mother and Daughter banquet, a Christmas party, Recognition Service, St. Patrick's party, and meetings with the Hi-Y on Boy-Girl relations. Lt. Walter Cooper, U.S.N.R., described England during the "buzz bomb" raids; and for their assembly program, the G. R.'s asked Lt. Dorothy Frisch, A.N.C., to tell her experiences of the War in the Pacific.

To gain specialized training, five cabinet members spent one week at Camp Pittenger last summer. Sixteen girls represented the Bellevue club at the fall conference in Tiffin.

Miss Mary Cooper and Miss Marilyn Hastings are advisers.

# Hi-Y

*"High branches to aid the passerby"*

PRESENTING  
THE HI-Y

Remember the day ten valiant Hi-Y boys braved blustering January winds to go in the country and dig through the deep drifts which had isolated Miss Munn's home? It was just another example of Hi-Y service. The club served the school in more ways than one. They were hosts at the dances after the football games; and they sponsored Dr. Frank Slutz, who spoke for an assembly program and then held conferences for the seniors.

Three delegates from the club experienced a rattling trip in the school pick-up truck to attend the area convention at Columbus where the delegates helped to form new ideas to carry out the four planks of the club.

The spring picnic at the Y camp highlighted the social program for the year, which included several club dances and parties.

CHRISTMAS  
IN THE LIBRARY

Paint, paint, paint, paint everywhere, on feet and hair, and even some on the windows where it belonged! The B. H. S. library, always an attractive reading room, became doubly so, when the club painted the library windows with choir boys and scenes of the Nativity to create a Christmas atmosphere.

Books, books, books, too for the Library Club! Student librarians helped Miss Anderson all year with the work of checking books, "reading shelves," and keeping records. To provide shelves for books, the group is giving all the money they made through dances.

Book reviews, a book-week assembly, and a traditional guest night filled the club calendar.

A spirited discussion goes on, as members of the Business Leaders Club meet to learn of the qualifications necessary for different types of business occupations.

The club was organized last fall by Miss Elizabeth Hornyak for students taking at least one subject in the commercial course.

The club encourages scholarship, school loyalty, and experience in parliamentary procedure, as well as investigation of business opportunities and requirements.

"Time out" from business for entertainment resulted in a wiener roast, a Christmas party, and an activity night.

It's 11 P. M. as several mothers and a group of girls hustle about the Home Ec. lab, preparing stacks of food. It's the F.H.A. serving the hungry basketball boys after an out-of-town game.

Pretty formals, flowing music, and attractive decorations. It's the setting for another F.H.A. party.

Then still another night when graceful models display dresses that the girls themselves have made. It's the F.H.A. Style Show.

# Band

*"Now rings the woodland loud and long"*

Rivalling any Dorsey or James orchestra, the B. H. S. BAND swung into Ellington and Irving Berlin tunes in their annual midwinter band concert, which also included the standard marches and overtures.

The band furnished entertainment during the halves of all the home football games and represented Bellevue in a Band Festival at Galion.

Band members will never forget leading the parade as they welcomed home the championship basketball team when they returned from winning the state honors at Toledo.

# Drum Corps

*"A cry of bugles going by"*

The triumphal parade for the State Champions proved to be the biggest moment for the DRUM CORPS also. Drummers and buglers, all of whom are underclassmen, make up the unit.

Adding pep and school spirit is the job of the PEP BAND at home basketball games and all assemblies. It is made up of a group chosen from the larger band.

The CENTRAL SERENADERS swang through their fourth year as the school dance band, with most of the players members of the class of 1945. "Serenaders" provided smooth dance music for the basketball dances and for out-of-town engagements.

# Junior Dramatic Club

*"The play's the thing"*

As they donned overalls and smocks to paint scenery — and themselves — Junior Dramatics Club members decided that there is more to dramatics than merely learning lines. Students gained experience in stagecraft, makeup, play directing—the backstage phases of dramatics—as well as in acting. They organized into four groups of actors, directors and committees to produce one-act plays for club meetings. The list of plays included "Oh, Doctor!", "Who Says Can't?", "The Girl from Brazil," and "The Ghostly Passenger." Members had opportunities to exhibit their talents before town audiences also. "Oh, Doctor!" was presented at a spring meeting of the Child Conservation Club. Advisers for the dramatics club were Miss Ann Frazier and Miss Rebecca Jones.

## THE FOOTBALL SEASON

Bellevue's 1944 football team, with their new T formation, sped through their nine-game schedule, and emerged as one of Bellevue High's greatest grid squads. Drawing 2,000 fans to the bleachers of Harmon Field for their game with Port Clinton, they set an all-time football attendance record for B. H. S. While the team won two championships, the Little Big Four and the new Northern Ohio, they also received the honor of placing Captain Bob Green on first "All-Ohio team" and Gene Dudley on the third team.

At a student assembly, the major lettermen received small gold footballs from the Athletic Association. Later, at the annual football banquet, Coach Harry L. Strobel and the team received further recognition.

SEPTEMBER 15 — BELLEVUE, 19—FREMONT ST. JOSEPH, 6

Starting off the season on the right foot, the Redmen downed St. Joe, 19-6. The Saints marked up their only score early in the first quarter when they recovered a fumble behind the goal line. Green led the Redmen, scoring two touchdowns.

SEPTEMBER 22 — BELLEVUE, 0—TIFFIN COLUMBIAN, 6

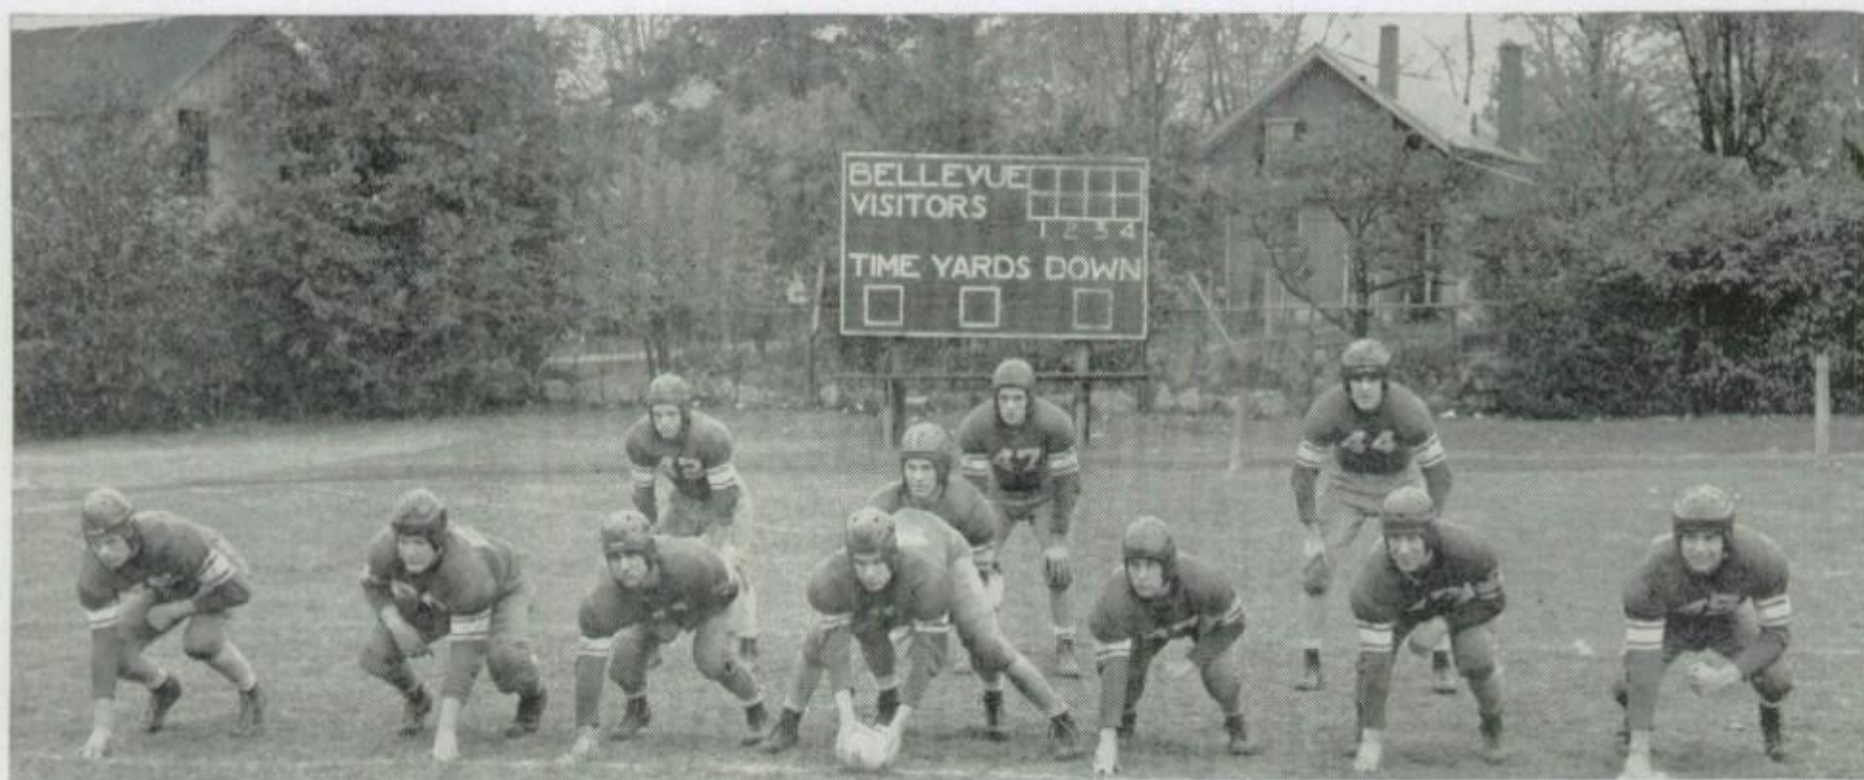

Tiffin Columbian handed Bellevue their only defeat of the season in the form of a 6-0 heart-breaker. Tiffin scored in the first quarter by sheer power and had control of the ball most of the time. The Redmen made a serious scoring threat once, but it was ended by an intercepted pass.

SEPTEMBER 29 — BELLEVUE, 34—SHELBY, 12

Displaying the best brand of football they have shown in many seasons, the Redmen smashed to a decisive 34-12 victory over Shelby. An efficient passing combination together with a powerful running attack spelled victory for Bellevue.

# At Harmon Field

ENDS: Captain Robert Green, Fred Friend. TACKLES: Arnold Zerman, William Kistler. GUARDS: Jim Branco, Jim Videan. CENTER: Jim Greenslade. QUARTERBACK: Gene Dudley. HALFBACKS: Francis Kirwan, Harold Shelley. FULLBACK: Steve Merk.

OCTOBER 6 — BELLEVUE, 13—NORWALK, 12

A last-quarter comeback gave the Redmen a thrilling 13-12 victory over Norwalk. Behind 12 to 0 at the end of the third quarter, the Strobelen turned on the heat and in the last eight minutes scored two touchdowns and an extra point to win the game.

OCTOBER 13 — BELLEVUE, 38—UPPER SANDUSKY, 13

The Redmen handed Upper Sandusky their first defeat in league competition by a 38-13 upset. Passes from Dudley to Green and the running of Merk and Kirwan headlined the Redmen victory. The defensive play of Arnie Zerman proved to be a headache to the Yellow Jackets.

OCTOBER 20 — BELLEVUE, 52—WILLARD, 7

By walloping Willard, 52-7, the Redmen gained the first championship of the newly-formed Northern Ohio League. Three touchdowns by Green and one each by Shelley, Kirwan, Merk, Dudley, and Friend provided the scoring.

OCTOBER 25 — BELLEVUE, 47—SANDUSKY ST. MARY'S, 0

Bellevue shut out St. Mary's, 47-0, in a one-sided contest. The Dudley-to-Green pass combination, which was clicking in top-flight form, gave the Redmen a real ground-gaining punch. Again the hard charging of the line both on offense and defense proved to be too much for their foes.

NOVEMBER 3 — BELLEVUE, 6—PORT CLINTON, 6

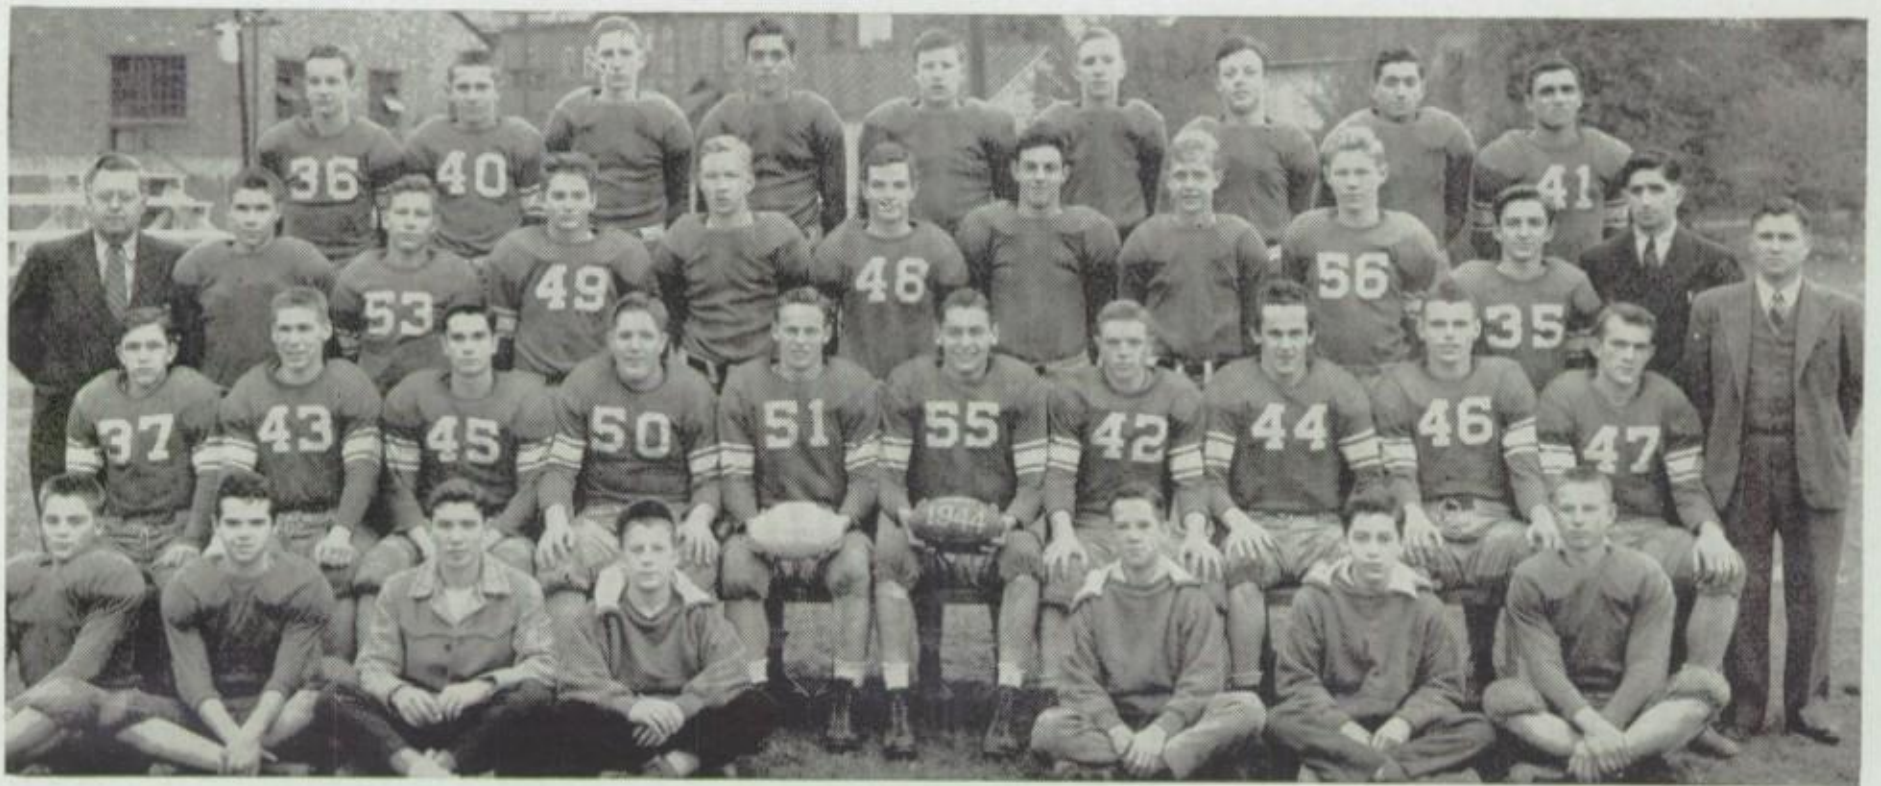

The Bellevue Redmen and the Port Clinton Redskins battled to a 6-6 tie before the largest crowd ever assembled for a gridiron contest on Harmon Field. The first half ended in a scoreless tie, but the Ports came back to score early in the third quarter. The Redmen retaliated with a crushing land attack that carried them to the five-yard line. A pass from Dudley to Kirwan connected for the score, but another pass to Friend was ruled out-of-bounds, leaving the score tied.

NOVEMBER 7 — BELLEVUE, 25—OBERLIN, 0

Finishing in a flash of glory, the Redmen concluded the 1944 season by whipping Oberlin, 25-0. For nine seniors, all of whom did themselves proud, it was their last football game for B. H. S. Arnie Zerman, veteran lineman, was given a chance in the backfield and in the three plays he ran, he gained 45 yards.

## FOOTBALL LETTERMEN

**ROBERT GREEN**, Left end, Captain—Bob played outstandingly fine football and was selected by two wire service polls, Associated Press and International News Service, at left end on the All-Ohio first team. He was a remarkable pass receiver and defensive half back.

**GENE DUDLEY**, Quarterback—Playing his first season of football, Gene was recognized for his ability when he was selected on the I. N. S. poll at Quarterback on the All-Ohio 3rd team. His beautiful and spectacular passing was a great factor in our successful season.

**FRED FRIEND**, Right end—Standing 6' 3" tall, Fred used his height to good advantage in snaring passes. His sincere work and cooperation made him a very valuable asset, and he will be greatly missed.

**JIM VIDEAN**, Left guard—The lightest regular on the squad, Jim used his 125 pounds efficiently and proved to everyone that a good little man is very valuable to a team. His quick reaction earned him the title of the fifth man in the opponents' backfield.

**VICTOR GREENSLADE**, Center—Jim has been the capable and reliable center around which a successful team is built. In addition to his good work at center, Jim's fine defensive play, kept opponents from sweeping his end.

**FRANK KONST**, Right Guard—Frank's determination and ability to learn the game as a senior made him a valuable asset. He was hard for opponents to move out. He will be missed.

**ARNOLD ZERMAN**, Left tackle—"Arnie" came through in his senior year to prove that he was a great tackle, and in his final game had a lot of fun blasting the Oberlin line wide open with his line plunging.

**FRANCIS KIRWAN**, Half Back—Big, powerful, and fast, "Fran" completed his final year of football, a ball carrier much feared by his opponents. Running off tackle and cutting back was a specialty which provided many thrills.

## THE BASKETBALL SEASON

"Whiz Kids Are State Champs!" So read the headlines. In three short years at Bellevue, Coach Harry Strobel had built a powerful Redmen squad that was destined to make history.

Let's make a hurried review of the Redmen's straight victories for the 1944-1945 season.

Victory No. 1. December 1 marked the beginning of the Redmen's basketball season, when the Bellevue Squad handed Bowling Green a 55-13 trouncing. Dudley swished in a foul shot for Bellevue's first basket of the year, and Hickman followed with the first field goal.

Victory No. 2. Lorain was the Redmen's second victim, when the local tribe invaded their opponent's home floor to make a smashing 61-28 score on December 6. The Redmen's speed and accuracy was just too much for the less-experienced Steelmen.

Victory No. 3. Tiffin Columbian was the Redmen's third win when the Tiffin team played here December 8. The game became rough in the second quarter, but the Redmen, paced by Green's 20 points and Friend's 12 points, smashed out a 53-34 finish.

Victory No. 4. St. Wendelin, of Fostoria, came to the Redmen camp on December 15 and were repulsed, 57-29. The Mohawks, the only Class "B" team the Redmen played, proved to be a strong team during their regular season as they dropped but one other game.

Victory No. 5. January 5 saw the local tribe battling a tough Norwalk team on the home-floor. The Maple Leaves even seized a 7-6 lead in the first quarter, but the powerful Redman Machine pushed basket after basket through the hoop until the score-board read 44-28 at the end of the game.

Victory No. 6. The Redmen handed the Port Clinton Redskins their first defeat of the season, when the local team eked out 46-44 score, January 12. This proved to be one of the most exciting games of the year, as it moved into a three-minute overtime period.

Victory No. 7. Bellevue met Sandusky, January 16, on their floor to chalk up another one for the Bellevue club with a 44-26 win.

Victory No. 8. On January 19, the Redmen made a hurried trip to Willard to knock off the Willard five, 59-22. Fred Friend was high point man with 20 points.

Victory No. 9. The Redmen rolled over the Crestline quintet like a General Sherman tank running over sticks, as the Redmen kept chucking them in to make it 70-29.

Victory No. 10. Bellevue had to fight hard for this one, for Vern Hoffman's Tygers put up a tough struggle when the Redmen traveled to Mansfield, January 26. The lead changed hands so many times that it was hard to tell who was ahead, but the Redmen emerged the winners with the headlines reading "Redmen Whip Mansfield, 41 to 34."

Victory No. 11. On January 30, Redmen fans marked the Fremont Ross vs. Bellevue game on their score cards as Bellevue 43 — Fremont 34. The Fremont lads had a 7-2 lead in the first few minutes of the first quarter, but by the end of the quarter Bellevue had reversed the lead to 13 to 10. The game belonged to the Redmen from then on.

Victory No. 12. Bellevue went to Norwalk, February 9, to give the Maple Leaves another chance, but succeeded in piling up an even bigger score than in the first game, the score this time being 52-27.

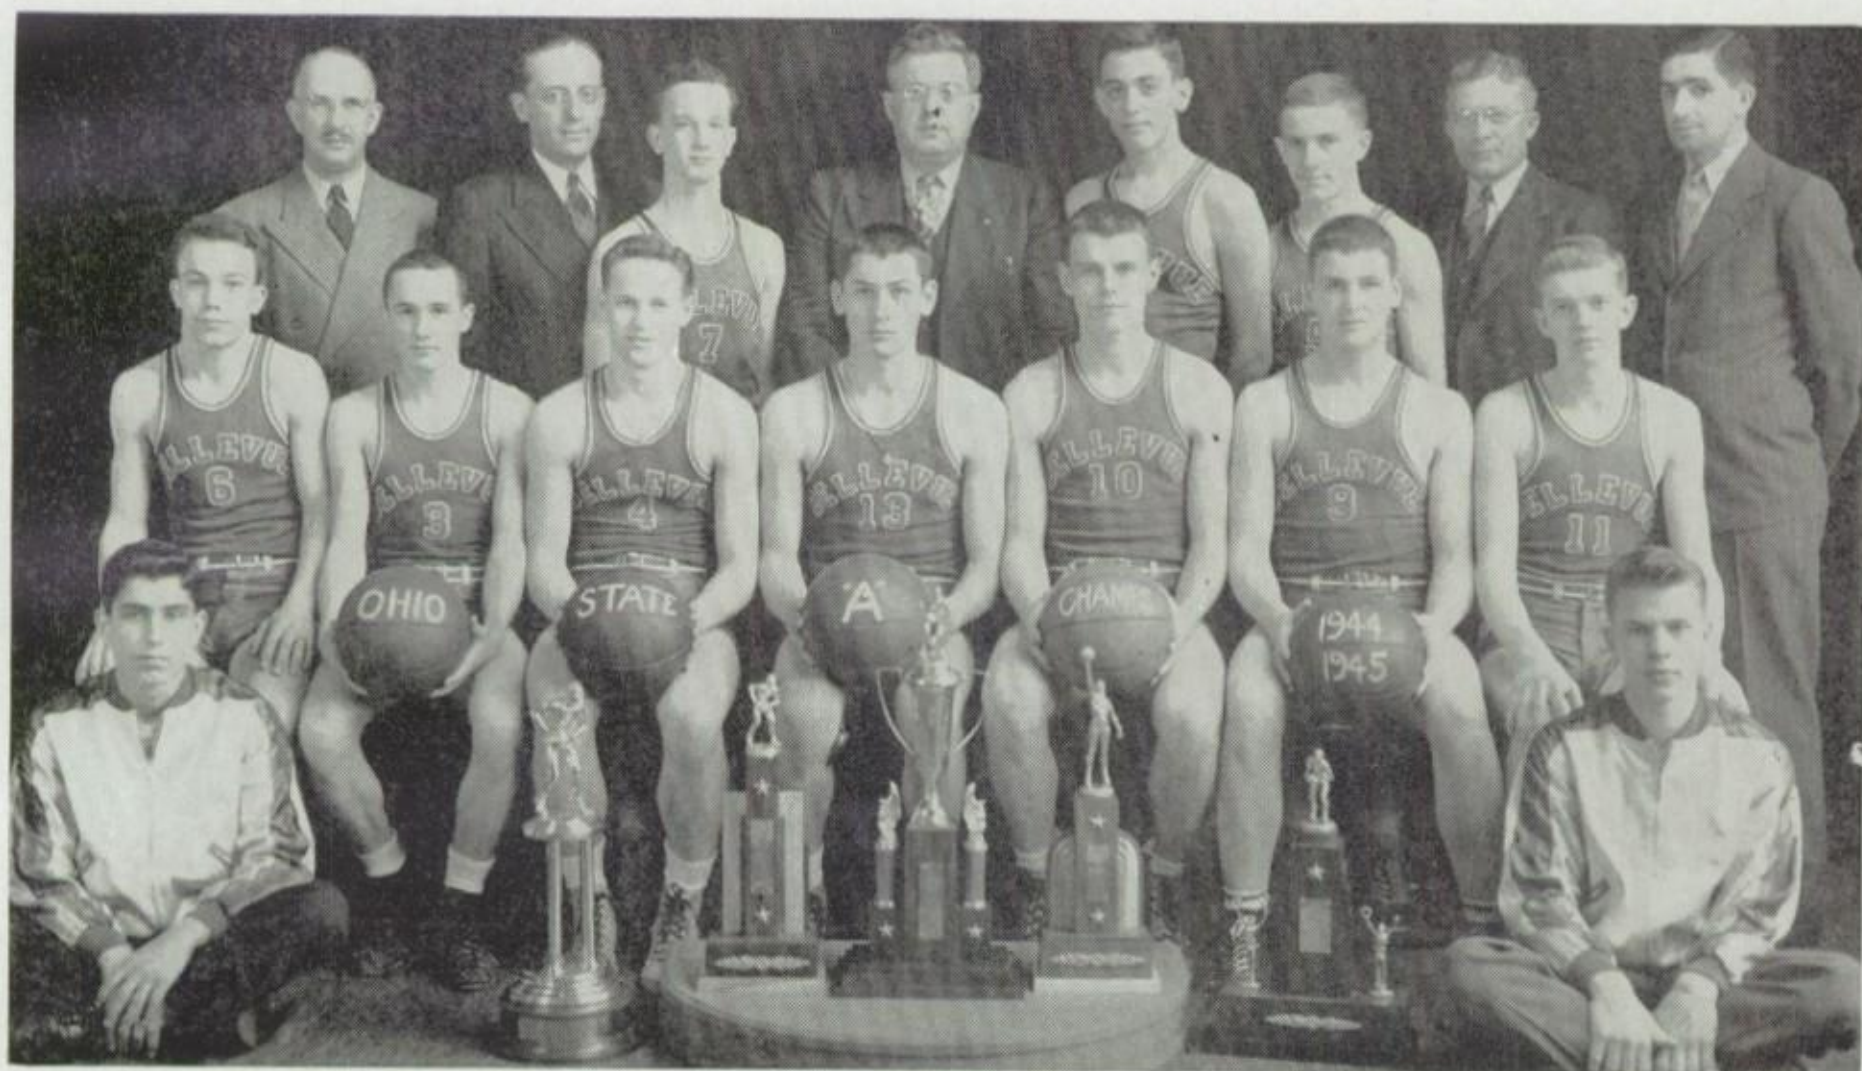

Victory No. 13. The Redmen ran up a 45-29 score against Bucyrus, when the two teams clashed on the Bucyrus floor February 6.

Victory No. 14. Port Clinton, following Norwalk's example, also went down in defeat when they pitted their strength and skill against the Redmen for the second time. The two warring tribes clashed on February 9, when the Port Clinton Redskins went home wearing a 54-33 defeat.

Victory No. 15. The Redmen returned from Shelby with a 54-33 win, and the Northern Ohio championship tucked under their belts. This was the first time the Redmen have ever met the Whip-pets in league competition.

Victory No. 16. Hitting the hoop for 77 points, the Strobelmen smothered a weak Willard five 77-18, February 16, on the Bellevue floor.

Victory No. 17. This one was a close-shave for the Redmen, but the Whiz Kids came out ahead with a score of 52-50, when Bellevue tangled with Elyria.

Victory No. 18. The Redmen took this one away from Sandusky 66-26, February 26, when the Sandusky lads came to Bellevue for a return bout after their severe defeat in January.

The regular season, probably the greatest season B. H. S. has ever had, was merely a stepping stone on the road that led to the State Championship. So let the story continue!

## THE DISTRICT TOURNEY — AT SANDUSKY

Victory No. 19. Saturday, March 3, found the Redmen invading Sandusky for their first game in the Northwestern Ohio Tourney. They easily conquered Willard, 59-17. Fred Friend had a hot night and scored 19 points, while Hickman and Green came through with 13 points apiece.

Victory No. 20. On March 9, the Redmen copped the semi-finals by defeating a scrappy Norwalk team, 37-31. Gene Dudley, playing a beautiful game, took high honors with 13 points, followed by Green's 11.

Victory No. 21. The following night, March 10, in the finals of the N. W. District Tourney, Bellevue and Port Clinton, two strong teams, met for the third time this year. As before, Bellevue was top, 43-33. Dudley and Green paced the Redmen with 16 and 14 points.

---

## THE REGIONAL TOURNEY — AT BOWLING GREEN

Victory No. 22. Bellevue, 31—Van Wert, 13, was the score for the Redmen's first Regional Tourney game at Bowling Green on March 16. Van Wert played a stalling game for all but the first and last five minutes of the contest. Green was high with 13 points.

Victory No. 23. The following night, March 17, the Redmen opposed a strong Toledo Macomber team in the finals of the Bowling Green Regional Class A Tournament. The score—Bellevue, 28—Toledo Macomber, 26. It was a game of zone defense against man to man, but the Redmen's zone was the more consistent. Green tallied 14 points to lead the Redmen.

---

## THE STATE TOURNEY — AT TOLEDO

Victory No. 24. March 24, State semi-finals, Bellevue, 47—Massillon, 44! Green led the Redmen's scoring with 22 points. The Tygers were leading with twenty-five seconds remaining when Green scored a fielder and seconds later took a long pass from Schlicht, made the basket, and gave the Redmen the victory, 47-44.

Victory No. 25. March 24, 1945, a date to go down in B. H. S. history, found the Bellevue Redmen emerging Class A STATE CHAMPS, after defeating Middletown, 36-34. When the game was tied with but four seconds to go, Dudley put in a beautiful set shot from the side, to defeat the "Middies" and to inscribe Bellevue's name on Ohio's basketball roll of honor.

Returning from their thrill-packed victory in Toledo, the Championship Redmen, the best team in the state of Ohio, received the best that the town of Bellevue could give them—a magnificent parade witnessed by thousands of jubilant fans, mass meetings offering the team the key to the city, confetti-filled air as they were given rousing ovations, speeches of praise to the champions, and banquets feting them for weeks following their victory.

Not to be forgotten is the sight of co-captains Bob Green and Gene Dudley sitting on the fenders of the bus, and holding the sign that the entire town was repeating months later — WE ARE THE CHAMPS. And no one will ever forget the victory grins on the faces of the team.

Bellevue truly went crazy with joy that Sunday, March 25, 1945. First of all came that wonderful parade. Led by the police cars and fire engines, with sirens going full blast, and the band and drum corps adding their joyful music to the gala occasion, the bus, painted from roof to hub-cap with white-wash, broadcasting their great victory, rolled its way through the yelling crowd. Following it marched the American Legion, and following them was a procession of cars that stretched for two miles.

The parade ended at the high school, and there the doors were thrown open to admit the cheering crowd for a mass meeting. The happy fans heard speeches by town and school officials, by neighboring well-wishers and coaches, and by the state champions themselves. When the meeting was over, the team were the proud owners of lipstick-smeared faces as their feminine fans energetically offered their congratulations.

The celebrating didn't stop there, however. The following morning found the students in another mass-meeting, a school assembly, continuing the festivities of a championship town. Then the students heard Dr. Shumaker, president of the school board, proclaim a three-day victory holiday.

# 1945 State Champs Come Home

Banquets continued for the Redmen. At the annual basketball banquet congratulations were read from Governor Lausche; and Representative Franklin Pierce, who had entertained the teams in Columbus a few days before, gave the team copies of the congratulatory resolution passed by Ohio State Legislature. Coaches Strobel and Alvarez were presented gold watches by the Bellevue fans. Later Bellevue citizens raised a sum of money also to give watches to each of the twelve boys on the varsity. It was announced that each one would receive his varsity letter, regardless of the number of quarters played.

Individual players, even before they were state champs, were placed on honorary teams. All of the "first five" were named on either the first or second team of the All Northern-Ohio League mythical team; Bob Green, Gene Dudley, and Fred Friend on the first, and Hickman and Schlicht on the second. The International News Service picked Bob Green as first team guard and Dudley as third team forward. The Associated Press later named Bob Green to a first team guard position and Dudley, who was barely nosed out of the first team, to the second team. Then at Toledo, both Green and Dudley were given first team positions, and Friend a second team position on the All-State tourney team.

When a group of seniors joked last fall that they were going to win seven trophies this year, they scarcely dreamed that their goal really would be reached and that their school would be called a school of champions!

# *Victorious Lettermen*

**ROBERT GREEN**, Co-Captain, guard—"Taylor" Green stretched his long frame through four great B. H. S. Basketball seasons, and his famous "Johnny" shots probably singled him out as the most spectacular player on the team. Bob's speed and grace, as well as his height and "dead eye", made his selection on all tourney and all state teams virtually unanimous.

**EUGENE DUDLEY**, Co-Captain, forward—"Mose" Dudley, often referred to as the "brains" of the team, generated the Redmen through three years of winning basketball. He received his greatest thrill when he sank the winning basket against Middletown. A smooth ball-handler and fine shot, Gene has ability which landed him on the I. N. S. All-Ohio second team.

**FRED FRIEND**, center—"Fred" held down the important pivot position for the Redmen, and often was rebounding against men taller than he, but his skillful backboard play made him one of the most feared centers in the state. Fred can call the game with Middletown his best, as he secured many rebounds against his tall opponents.

**CHARLES HICKMAN**, guard—"Hotshot Charlie" proved that size need not make any difference in basketball just as long as you have plenty of fight, are a "dead" shot, and a skillful ball handler. Charlie's set shots were beautiful to watch, and time and again he would drive around bigger opponents to sink his basket.

**VINCENT SCHLICHT**, forward—"Vince", the only junior on the first five, was a smooth ballhandler as well as a great defensive guard. Vince's eye for the basket shouldn't be ignored, however. During the second game with Willard, Vince broke out to emerge as high point man. He will be a key man in the 1946 team.

**ROBERT SMETZER** — Bob, reliable and always trying, the "fireman" of the squad, saved many games by his dependable playing. Bob used his height to good advantage, and could always be found near the backboards, reaching for those valuable rebounds. Bob's dependability showed up in the state finals when he effectively replaced Friend or Dudley.

**ELVIN FERRES** — "Elvie" didn't see much action in the season schedule, but as a member of the second string, he enabled the first team to gain their experience for the next game. Elvie's first game basket was in the Regional semi-finals against Van Wert, when he sank a beautiful set shot.

**ROBERT TODD**, manager — Bob, head manager of the Championship Redmen, carried out his job of much work behind the scenes. Sometimes he was practically surrounded by the press clippings and statistic books.

**JOSEPH DISANDIS** — Joe could always be depended upon whenever any of the first team was out. His height and pivot play will make him a constant threat next year.

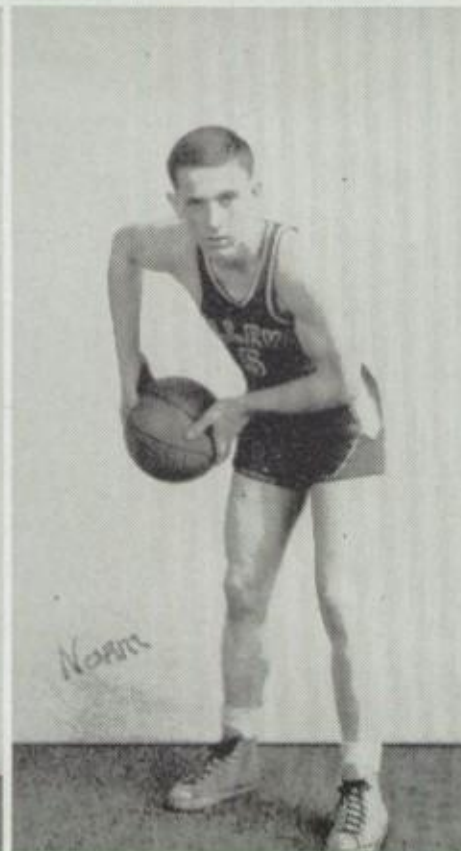

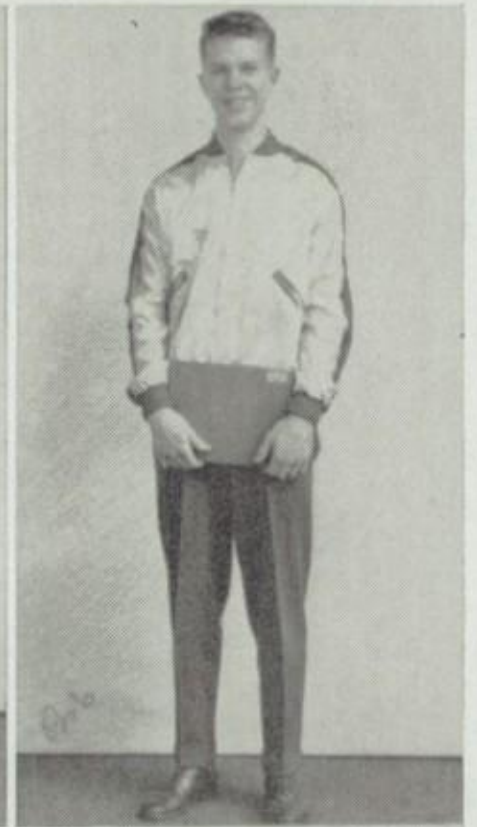

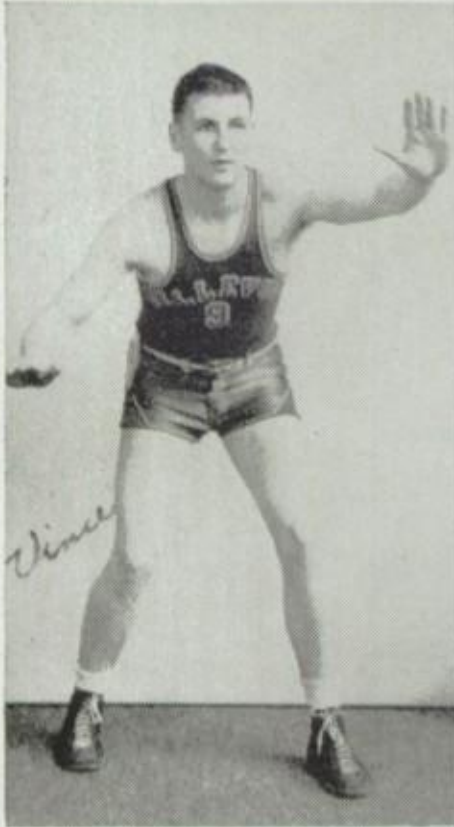

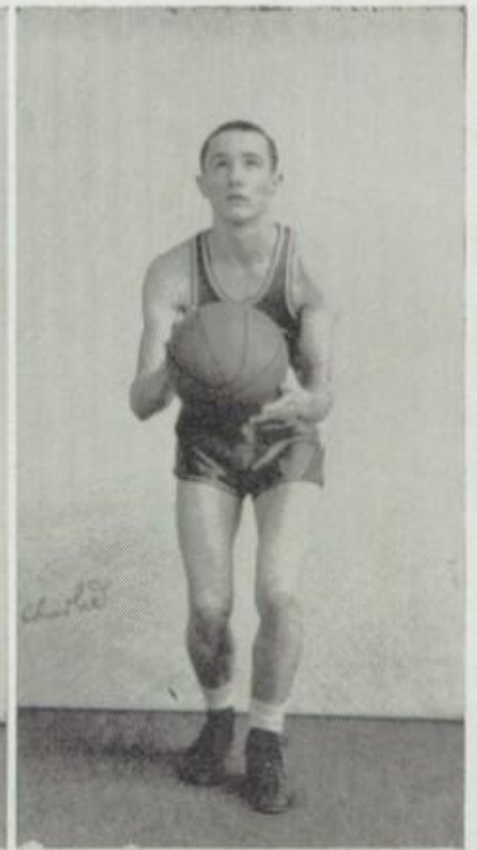

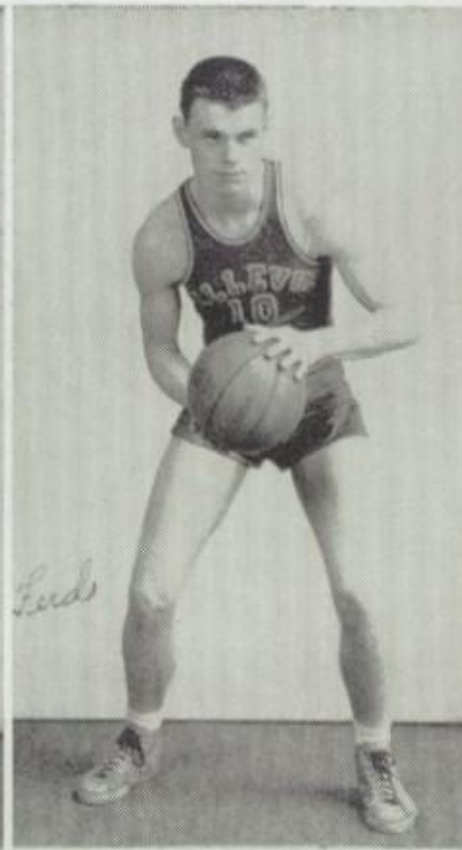

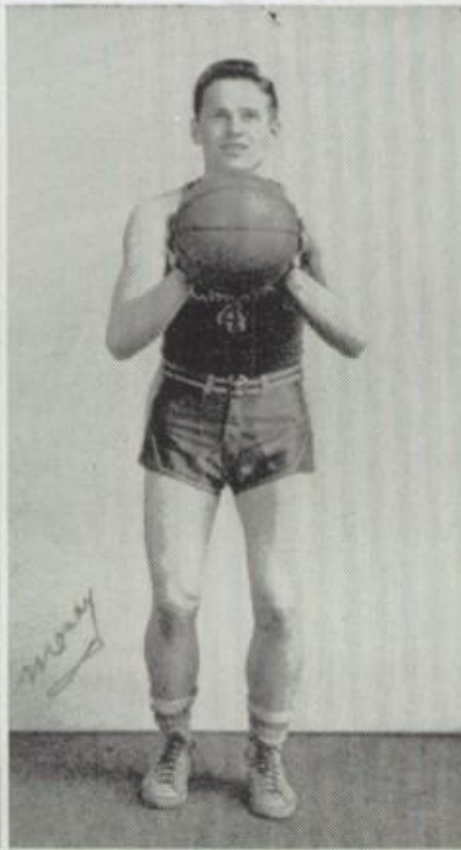

**NORMAN EGER** — Norm, scrappy little guard, is another member of the second string who didn't see much action. Norm is a junior, however, and figures high in the plans of next year's team.

**DALE CAMPBELL** — Dale, a speedy junior, shows promise of being another great "little" player. In tournament scoring, Dale's rank of sixth shows he may add scoring punch to the 1946 team.

**WILLIAM SERRAINO** — Bill, Todd's "right-hand man", worked hard and was always ready to do more.

## THE RESERVES

The Reserves, under Coach Al Alvarez for the second successive year, won seven and lost eleven games. This record looks promising when it is realized that the Reserve teams of most opponents used some varsity material, while Bellevue did not. Then, too, the fact that most of their wins came in the last half of the season promises valuable material for future varsity teams.

With "king basketball" heading the list of numerous intramural activities, the 1945 season offered sports for all—and better physiques to show for their effort. Healthy B. H. S. students enjoyed volley ball, ping-pong, softball, boxing, wrestling, basketball, swimming, touch football, badminton, and soccer during the noon hours.

Because of V-E day celebrations, the annual Intramural Festival could not be held.

# Girls' Physical Education

STUNTS  
ARE FUN

## GIRLS' INTRAMURALS

Sports for all and all for sports is the aim of the Girls' Physical Education Department. Twice a week the girls take over the gymnasium and swimming pool, and every Tuesday and Thursday noons exciting girls' intramural contests are scheduled.

The first fall days found the girls playing SOCCER on the playing field behind the school.

Next came VOLLEYBALL. In a lively series of homeroom mixed volley ball contests, rooms 210 and 224 were the winners. A girls' class volleyball tournament followed with many participating.

Winner of the singles elimination PING PONG tournament is Charlotte Bingel in the Junior-Senior division, while Susan Reitzel is champion in the Freshman-Sophomore division. Jean Erf and Susan Reitzel took the girls' doubles title, and Vince Schlicht and Jackie Young teamed up to win the mixed doubles.

Honors in the BADMINTON singles went to Rita Cole in the Junior-Senior division and to Joanne Zehner in the Freshman-Sophomore group. Joanne Zehner and Dorothy Shelley captured the girls' doubles, and Vince Schlicht and Jackie Young again were victorious in the mixed doubles.

A SOFTBALL tournament was played, but results were not known at the time the Comet went to press.

Girls' BASKETBALL is always fun at Bellevue High School! With the familiar swish and steady bang-up playing, the cagey Sloppy Joes again captured the girls' championship. This is the seventh straight year that the Sloppy Joes have been ac-

claimed "Champs," although the membership of the team has necessarily changed. Members of the present victorious Sloppy Joes are Captain Jackie Young, Joyce Korndorfer, Marjorie Horn, Lois Glasgo, Lorene Scheid, and Ellen Woodward.

In a tie for second place in the girls' basketball tourney are the Bulldogs, captained by Pat Fox, and the Wildcats, captained by Rita Baldwin.

Eighty girls played in the round-robin tournament, which was organized for eight teams: Sloppy Joes, Bulldogs, Wildcats, Tigers, Whirlwinds, Black Widows, McCallisters, and Bobby Sox.

At the end of the season, two All-Star teams were chosen from among the best players of the eight teams. Members of the White All-Stars are Captain Justine Brown, Marjorie Horn, Dorothy Shelley, Dorothy Sherman, Marguerite Springer, Charlotte Bingel, Rita Cole, and Lorene Scheid. The Red All-Stars, captained by Donna Andrews, include Janice Hamer, Joyce Korndorfer, Jackie Young, Rita Baldwin, Pat Fox, Virginia Huston, and Ellen Woodward.

In a FOUL SHOOTING contest, Marjorie Horn and Jean Erf are the winners in their respective divisions.

# Girls' Athletic Association

Development of clean athletics, good sportsmanship, and initiative are the goals of the Girls' Athletic Association. The G.A.A. may not have regular meetings, but it is one of the most active clubs in Bellevue High School. Girls who participate in intramurals get points for each sport entered. When a girl has earned 80 points, she becomes a member of the G.A.A.; but her real goal is to accumulate 250 points which will entitle her to wear the white Girls' Intramural "B" of Bellevue High School.

Membership in the Aquatics Club is sure proof that a girl is a good swimmer. To be admitted to the club, one must pass difficult swimming tests with a high average. The successful mermaids assisted Miss Hastings with swimming classes during the year.

The highlight of the Aquatics social year was the second annual co-ed Splash Party, which certainly lived up to its name in an evening of hilarious fun.

# SENIORS

The rich harvests of the forest of high-school education have been gathered by the eighty seniors who now seek new trails in the forest of the world.

"D-d-don't forget your little pals!" shouts the bunny.

"Don't take any wooden nuts," adds the squirrel.

"And keep on working!" counsels the beaver.

"To Wit — to whoo — Remember to be wise old birds wherever you go," calls the owl.

"Goodbye, good luck!"

## FAREWELL SONG OF CLASS OF 1945

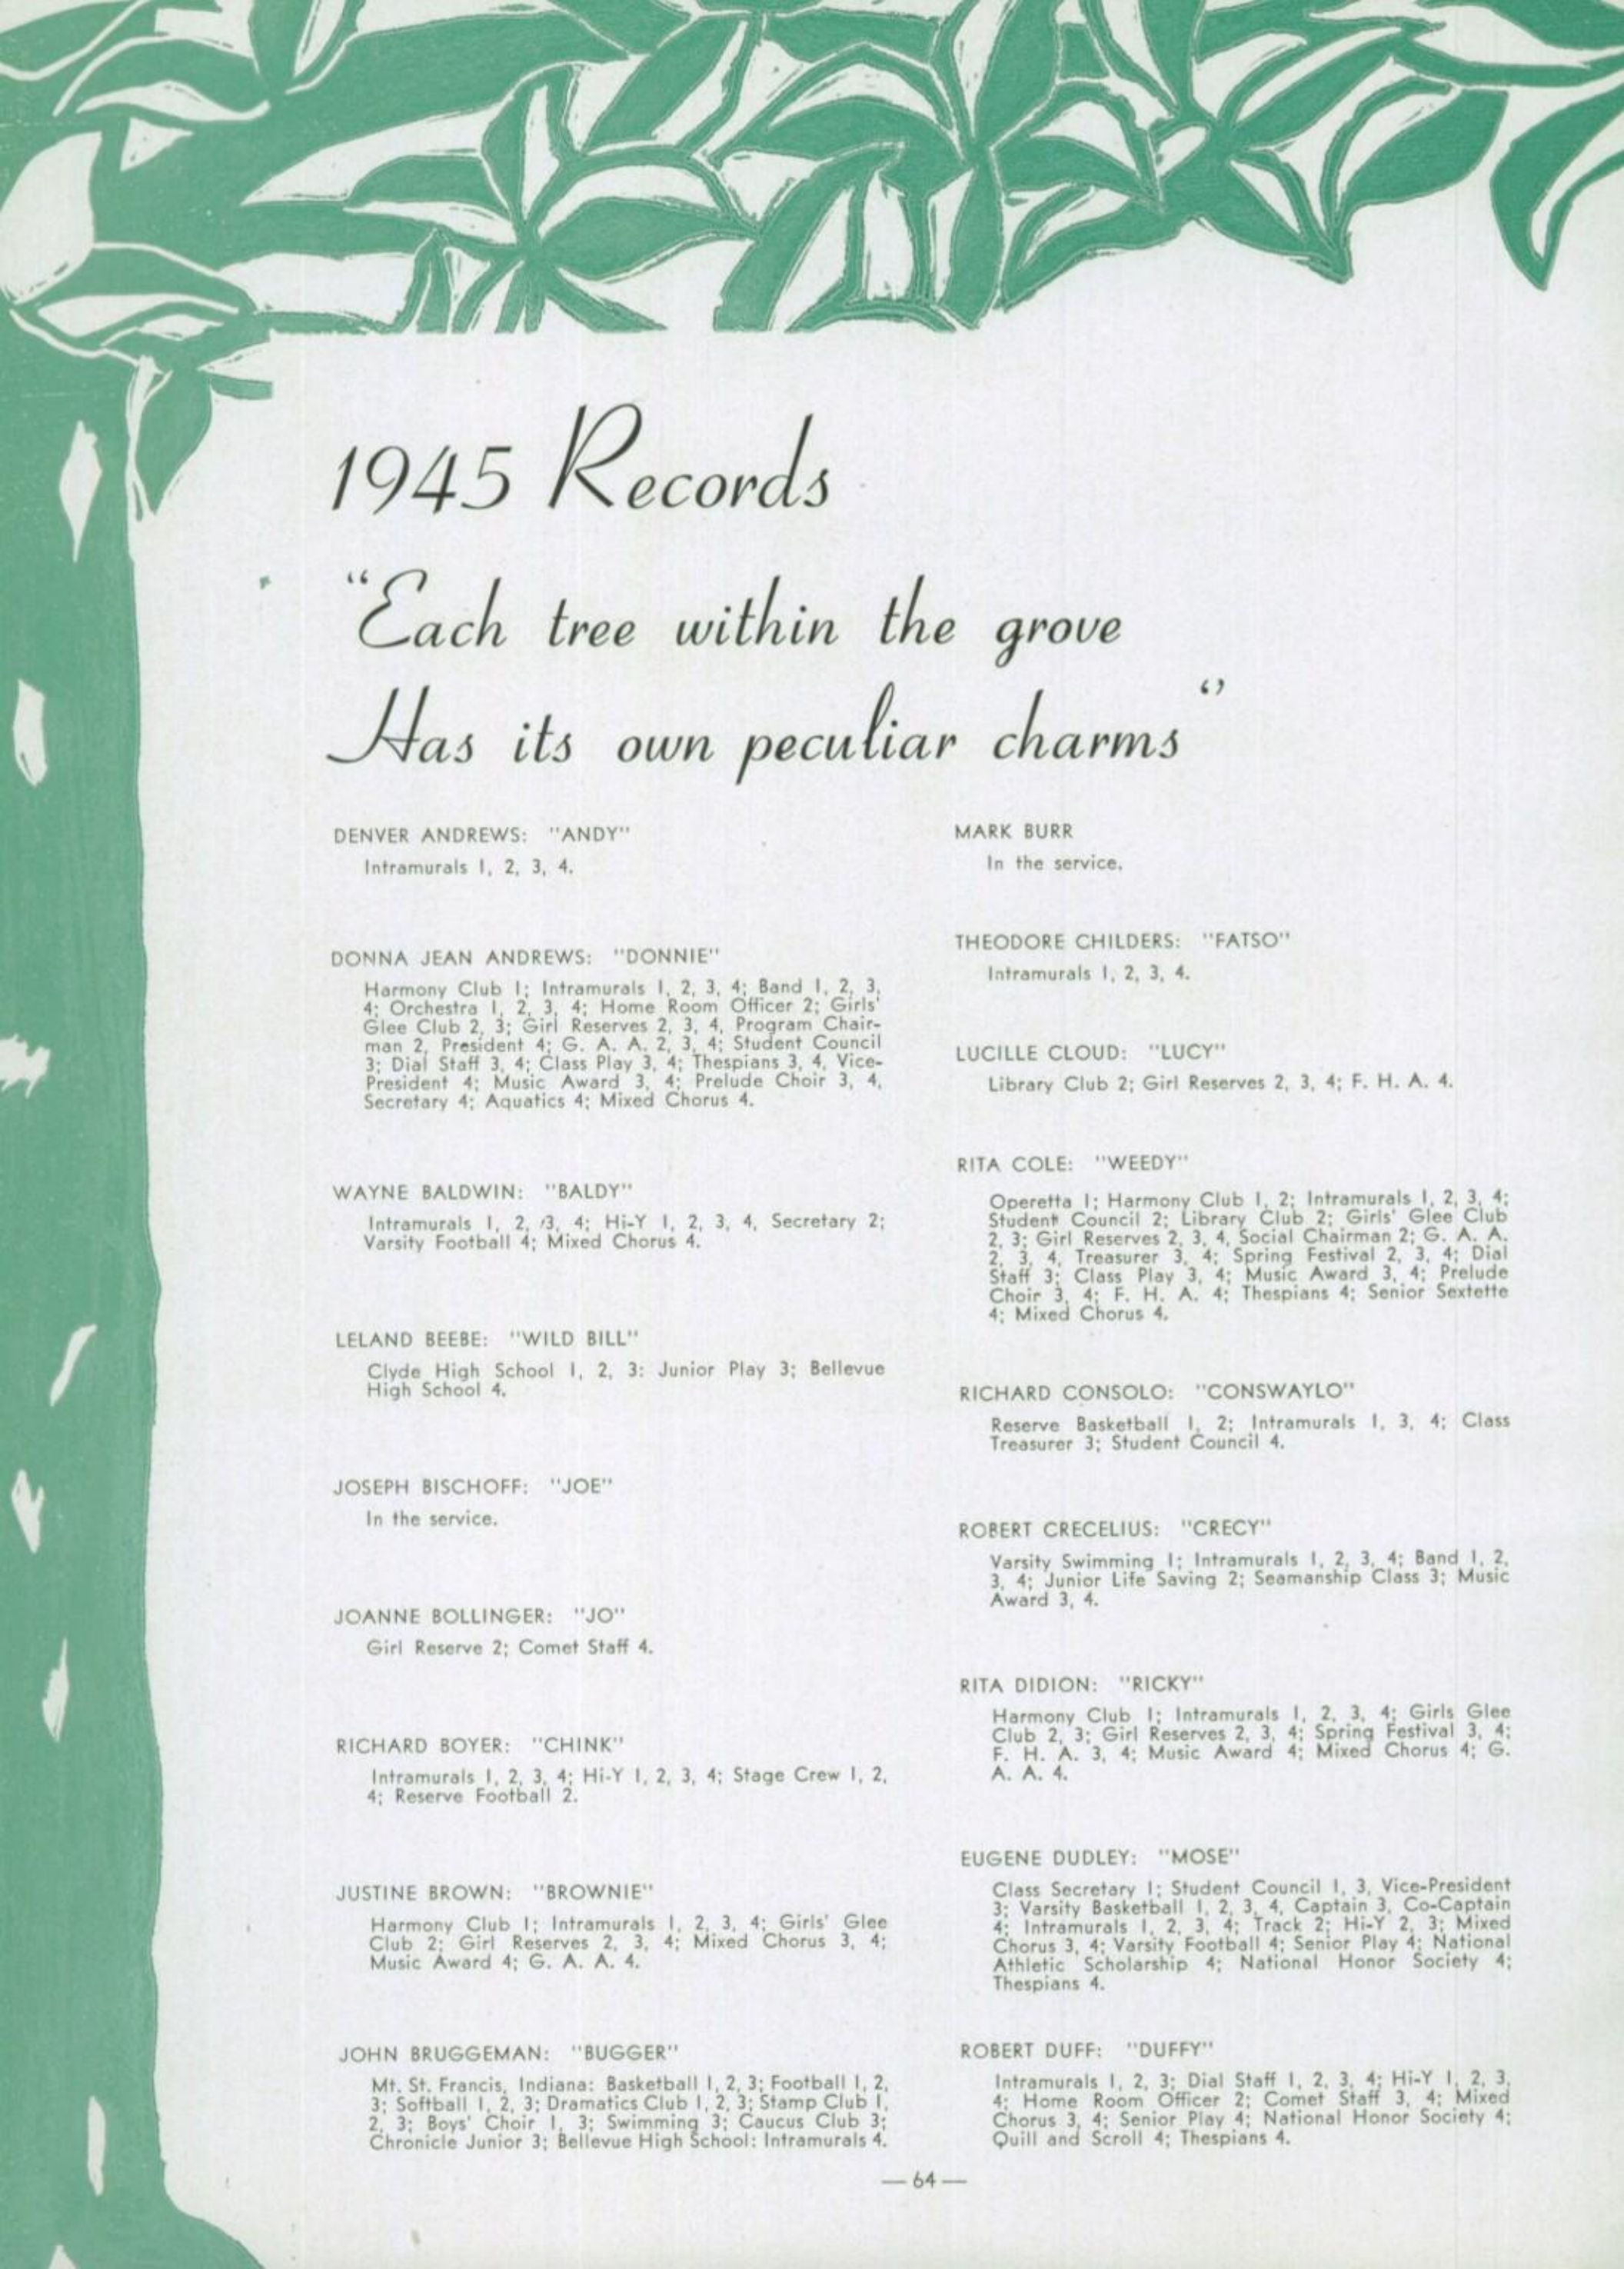

Melody: Just a Prayer Away

Words: Doris Swedersky

Now we come to say goodbye  
From this year's senior class.  
As we leave dear Bellevue High  
We won't forget our past.  
After we have gone, memories linger on  
Of good times spent while here,  
Of years gone by, your guidance nigh,  
Happy thoughts of the path we've sped,  
Now we come to say so-long  
In our final parting song.

II  
We are leaving Bellevue High  
The class of green and white,  
And we know we'll miss you all  
As we carry on the fight.  
"Let us be remembered by our deeds,"  
Is the motto we have picked.  
How hard we've worked for our success  
To improve in every way!  
Once again we bid farewell  
From the class of '45."
